

Stuff Starts Up - SHORTER

First, nothing... Then WHAP! Stuff everywhere!

Day One: Light. Day Two: Sky. Day Three: Land, trees, plants, flowers.

'Nice.'

Day Four: Sun, moon, stars, masses of stars!

'Awesome'

Day Five: Fish for the sea, Birds for the sky.

'Result!'

Day six: Animals of every kind, different shapes, sizes, colours, textures

Now for the best bit: people – like me, but human.

Boys and girls

'Fantastic. I love it!'

Day seven; Job done

'Rest Day.'
